ON TOP OF THE HILL

AND BENEATH THE TOWER

IS THE CONTROL CENTER OF ALL ACTIVITIES AT

THOMAS CARR HOWE HIGH SCHOOL
INDIANAPOLIS, INDIANA

In our twelfth HILLTOPPER, we present the story of this year at Howe. We have had our times of great joy and of disappointment, our classes and friends, our sports and activities, all of which were so important to us in this, Howe's fourteenth year.

Among our memories of 1952 recorded here are classes, page 6; school life, page 12; activities, page 18; clubs, page 36; students, page 44; faculty and administration, page 76; and sports, page 82.

TRADITIONS AND MEM

Although Howe is young in comparison to the other city schools, it has developed a great deal during the past few years. For example, did you realize that our library was once the cafeteria? (Some still try to eat there among the books although we've been taught differently.)

The gym, which is now taken for granted, hasn't always been in its present location. The original gym was in rooms 227-229. And speaking of the gym, that notorious "assembly interruption" has changed from a slow freight to a fast diesel.

And through these portals daily pass

ORIES FILLED 1952

We have started many traditions these past years. We will always remember The Brown and Gold Dance. . . . The May Pageant. . . . The Christmas Community Sing. . . . The Spring Dance. . . . Open House. . . . The Senior Play. . . . The Operetta. . . . The Pleasant Run Revue. . . . The Footlight Revelers' Play. . . . The Music Festival. . . . The Senior Prom. . . . The Senior Parties . . . even the conferences. All these and so many others are experiences which could only come from "On top of the hill . . . and beneath the Tower" at Howe.

FROM FAMILY LIFE

How can I get a date? How large should my family be? These questions are only two among the many answered in Mr. Wade Fuller's Family Relations classes. This is a very popular class, as shown by the large enrollments each semester. Dating, engagement, and marriage problems are studied and discussed each day. Family problems, such as a budget, planning your family, and what you should do in case of an emergency, are also considered.

Another popular class on campus is Plastics. Items made in Plastics range from shelves, lamps, paper weights, and jewelry boxes to key chains, earrings, and letter openers. Class members design their own projects. After the large plastic blocks have been sanded and polished, beautiful flower designs are often drilled into the various pieces and then dyed different colors. Miss Janet Keller has charge of this unusual class.

A very practical and valuable class is Driver Training. Mr. Lyman Combs is the "brave soul" who risks his neck teaching jittery Howeites behind-the-wheel driving. He is showing this class what a car's internal organs look like before they sally forth into traffic. Learning to drive can be exciting, too. Just ask some of the students about the narrow escapes they have had.

TO FIRST AID

Get your finger caught in your locker? Go see Miss Celia Smith in the clinic for first aid. Any injury is treated quickly and efficiently by our nurse and her student assistants. It is rumored that some of the patients in the clinic are really suffering from "classitis," and the clinic serves as a nice escape now and then. Nancie Costin demonstrates her ability to treat a scratch to Jean Mulcahy and Miss Smith.

"Cutting up" is a daily experience for biology students. They get their practice on worms and other species of the animal world. Girls usually find it more fun to spectate while a "brave" boy does the actual dissecting. Mr. Carl Edds demonstrates this fine art to an interested group of students. This year the biology classes have been cooperating with the Yard Parks program in making eastside yards more attractive.

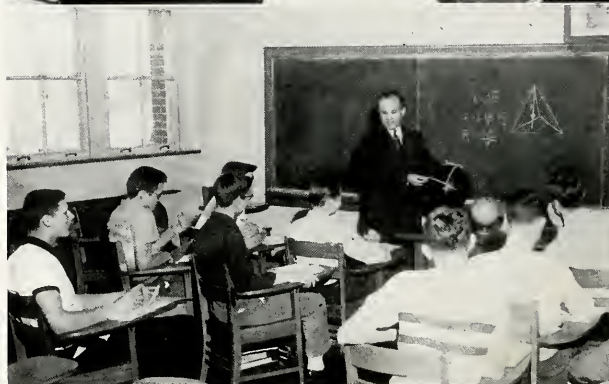

Health is more than just a book and some rules on how to keep well. Models of the eye and heart are used to explain the parts of the body in greater detail. First aid is a vital part of the course. Students spend six weeks of the semester learning and practicing the principles of first aid. Miss Shirley Diehl explains this experiment on the digestive juices.

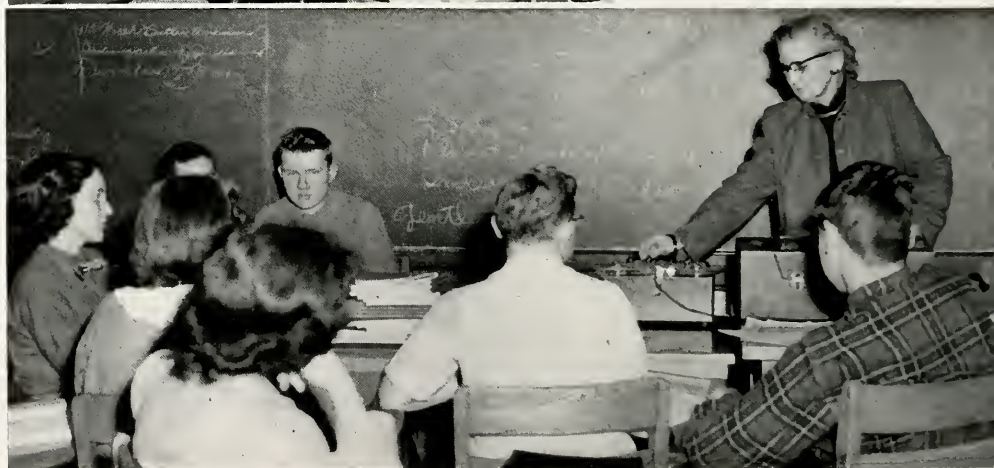

FROM ORATIONS

In our public speaking classes, we work to develop better speech habits. Sam Hiatt is giving a talk before a severe group of critics, under the watchful eye of Mr. Darrell Gooch.

How do you find the area of a spherical triangle? Mr. Robert Belding's solid geometry class will know by the end of the semester. They will also find themselves using such "common-to-math-student terms" as cube root, and the apex of a triangle.

Forsan et haec olim meminisse is well understood by advanced Latin students. A foreign language can be fun when you use a recorder to practice the pronunciation of idioms. Miss Narcie Pollitt very ably demonstrates pronunciation techniques to the class.

TO OPERA

"Being able to appreciate music fully is an art," says Mr. Robert Burford to his class in music appreciation. By listening to recorded works of great composers and studying their lives, these students gain much in their appreciation of music.

Sewing a fine seam will come in handy some day for these junior seamstresses. In the clothing classes, girls learn how to design their clothes as well as make them. Mrs. Betty Johnson shows a student how to keep that hem straight and narrow.

Print shop classes not only learn to master the presses but also set up all school forms, tickets and programs for school sponsored events. Mr. Lyle Nave directs these activities.

FROM CALCULATING TO

Comptometry students spend at least one period daily practicing on their machines out in the hall. Comptometry, typing, filing, shorthand, bookkeeping, junior business, and many other commercial subjects help prepare students for positions in offices. Even though many commercial students will not end up working in an office, most of these subjects will benefit them throughout their lives in various ways.

In the picture, Barbara Swengel improves her skill under the watchful eye of Mrs. Margaret Rowe.

In history and government classes, we have round-table discussions about current events. These discussions prove interesting and informative, as we exchange varied opinions concerning important news events. Mrs. Hattie Winslow's U. S. History class is discussing this week's news.

Rings, letter openers, and monograms are three of the innumerable items made from metal in Jewelry classes. Bill-folds, belts, and coin purses are made from leather. Miss Janet Keller helps and advises us on our projects.

COUNTING CHANGE

Where does a cheerful smile greet you when you are in need of advice or supplies? Why, the bookstore, naturally. Good-natured Mrs. Mabel Burkart is always there to help you with anything she can. She is never too busy (except at the beginning of the semester) to chat with you for awhile or to give a word of friendly advice to the student assistants who help her through the day.

At 8:00 each morning, a stream of cars flows into the Howe parking lot, unloading hundreds of students who ride or drive to school daily. Compared with ten years ago, the number of cars in the parking lot now is tremendous. Models range from a 1920 Ford to an extremely modern 1952 Buick.

Hurrying to and from classes day after day, is routine for all of us. Lockers that seem to open automatically for some of the seniors and never for freshmen are vital to our scholastic careers. How many times has the phrase "I couldn't get my locker open; it was stuck," been used as an excuse to classes when we were late? Sometimes these are valid reasons, but it seems that hundreds of Howe-ites before us used them so often that teachers now find it hard to accept them. Before that last bell in the morning and between classes, pals and chums crowd in the halls and gather around lockers to discuss every day's events.

WE PRACTICE CITIZENSHIP

Jane Reed was chosen by the senior class and faculty to receive the D. A. R. award given by the local Irvington chapter.

Guy Doyal was Howe's representative to go to New York to visit the United Nations in October.

A fight to the finish was this year's mock election. Federalist candidate for governor, Tom Cisco, is proving this to Nationalist Governor, Earl Green.

Shouts of "Stay in the swing," "Vote Fed," "Vote straight Nationalist," green bow ties and hair ribbons, soap boxes—what else could this be but the mock election held each year by the Social Studies classes to get in actual nominating and election experience. This year's campaign was considered the most vigorous in the history of Howe. The election spirit was in the air from the day classes were divided into Federalist and Nationalist parties. Party caucuses were held and candidates chosen at the state conventions. Then came all the turmoil. It was rumored that teachers other than those in the Social Studies department did not quite appreciate all the election enthusiasm shown by party members. However, after it was all over, this election was acclaimed as one of the greatest successes ever.

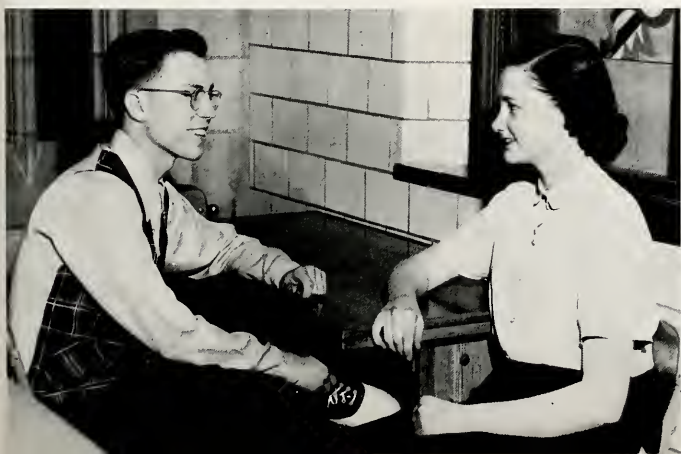

AND SELF GOVERNMENT

"And if elected, I promise . . ." This was familiar talk around the halls of Howe in November.

Vigorous campaigning took place before 8:15 a. m. and in the four minutes between classes all during the day. Parades and soap boxes became common sights to all Howeites and faculty.

Jane Reed and Guy Doyal were winners of the American Legion Good Citizenship Award presented annually to the outstanding members of the junior class.

AND ENJOY A WIDE V

UPPER LEFT — Biting fingernails, heavy makeup, butterflies in your stomach. All these are very characteristic of backstage at the Pleasant Run Revue. This year it was decided to hold the P. R. R. annually instead of every two years.

UPPER RIGHT—Ah, 'tis spring at last! The brisk smell of fresh grass and flowers. But something is missing. What? Why, baseball, of course. The crack of a hickory bat as a home run ball (you hope) soars through the air tells future Ruths and DiMaggios that the diamond sport season is under way again.

LOWER RIGHT—"Get your class copy in by tomorrow!" Vox Populi's editor urges the staff as the deadline approaches. Staff members from the Latin classes work to put out the monthly mimeographed paper.

ETY OF ACTIVITIES

UPPER LEFT—There is nothing like a football game in the snow! Keeping warm is no problem for the boys on the team who are running and blocking, but sometimes it is a little hard for the spectators to get out a yell through chattering teeth.

UPPER RIGHT—Operetta time again! This year it was the stirring "Hats Off!" a patriotic musical drama revolving around the U. S. Navy and John Paul Jones.

LOWER RIGHT—Will he make it? Hurrah, he did! What excitement and heartbreak loyal basketball fans go through all season. But the thrill that comes when the final gun sounds with the score in your favor makes up for all the suffering you've gone through.

WHICH INCLUDES OUR MAY PAGEANT

The traditional May Pageant was held on May 22, 1951, for the thirteenth time. The

coming of the Queen to Violet Hill celebrates the birthday of Howe. Joan Hitchcock was crowned

Violet Queen by Philosopher George Propps (upper right). The queen, her court, pages Wilma Schill and Carolyn Carroll, and Crown Bearer Linda Bowman watch the dancers of the girls' physical education classes portray the progress and activities of the past year (upper left). The dance to the Violet Queen, the Maypole Dance and many others were performed as the Philosopher reviewed the events of the year. The student body elected the queen from candidates chosen by Vihota, junior girls' club. Candidates included Nyna Morton, Susie Goebel, Angie Evans, and Cynthia Harryman. The Philosopher was chosen by the Senior Hi-Y club. Queen of the Violets, Joan, with her court, Cynthia, Susie, Angie, and Nyna are pictured below, left.

NT AND THE BROWN AND GOLD.

For the first time in Howe's history, a brother and sister reigned as Brown Boy and Golden Girl. Sarah and Dick Eickhoff (upper left) received this honor at the annual Brown and Gold Dance sponsored by the HILLTOPPER on October 6, from 9 until 12 p.m. At intermission time, the candidates came on stage and Mr. Tom Stirling announced the winners. The candidates were first introduced at the HILLTOPPER assembly, September 19 after being selected by nominations in all junior and senior home rooms. This program marked the beginning of the HILLTOPPER subscription campaign. Candidates included (seated) Phil Hardwick, Golden Girl Sarah, Virginia Meyers, Tom Sheppard, (standing) Don Meek, Nancy Crossley, Susie Parker, and Brown Boy Dick. Dancers are seen (lower right) enjoying the music of Charlie Bowers and his Band. The 1951 Brown

and Gold Dance will long be remembered by all who attended.

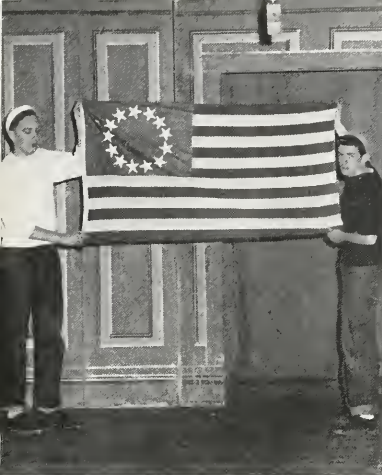

ON TOP OF THE HILL AND BENEATH THE TOWER

activities play a most important part in the social and mental development of high school students. Our after school clubs in language, science, sports, service, and various others offer great opportunities for Howeites to display their talents, develop new hobbies, make new friends and establish fond memories.

Our three big musical organizations, band, orchestra, and choir, with their presentations of operettas, and festivals; and Footlight Revelers with their annual play increase our appreciation of arts. Our publications staffs with the bi-weekly TOWER and the yearly H'LLTOPPER; and the Student Council, which promotes better conditions and student co-operation give us a chance to think for ourselves and express our ideas.

These are Howe's ACTIVITIES . . .

HATS OFF!

John Paul Jones, and his career as a naval officer in the United States Navy, was the theme for this year's operetta, *Hats Off*. The choir, under the direction of Mr. Frank S. Watkins, after weeks of preparation, presented the operetta on the evenings of February 21 and 22.

The students who tried out for any of the parts they wished, were judged by members of the faculty. Most of the girls in the operetta made their own costumes while the boys rented theirs.

The cast rehearsed each morning during choir period, then held several night rehearsals.

Cast of the leading roles:

Phil Steckley, Town Crier; Alan Taylor, John Paul Jones; Hoyt Miller, Lt. Richard Dale; Beverly Weevie, Marian; Beverly Ford, Sylvia; Donna Sue West, Deborah; Joanne Gassert, Priscilla; Rita Nagle, Dame Bly; Donna Funk, Anne Courtleigh; Phillip Stevens, Capt. Wm. Courtleigh; Duane Meek, Jimmy Gray; Richard Buerkle, Captain Landais; Joe Spurgeon, Boodle; Duane Price, Red Jerry; Richard Hildreth, Happy Hawkins; James Burton, Tommy; George Romy, Ned; Alliene Allison, Heliotrape; Doris Voeller, Narcissus; Janet Paxton and Alice Ray, Pianists.

PLEASANT RUN REVUE

Each year, Howeites and people all over the city look forward to the presentation of our own vaudeville show. Previously, the P. R. R. was held every other year, but because of its popularity, it is now to be held every year.

The theme for this year's P. R. R. was Indiana. The acts ranged from Mr. Touchdown and Johnny Appleseed to Santa Claus, Indiana, and Feudin', Fussin', and Fightin'. Each act was based on some phase of life in our state familiar to everyone.

The students put their ideas for acts down on paper, with the names of those who were to participate. The

faculty judged these try-out papers, and selected those which seemed to fit into the whole picture best. Then began nights of worry for the participants. Physical education teachers, Mrs. Barbara Wood and Miss Shirley Diehl helped in each act with the dancing and stage arrangements, while each group provided its own costumes. The acts practiced separately, each with a goal of perfection for several nights a week. The students didn't mind a bit the crowded dressing rooms, late hours, and hard work, because when the final curtain rang down, everyone knew that the '52 P. R. R. had been another success.

QUEENS ADD SPARKLE TO A

Candidates for Basketball Queen for 1951-52 were Carol Dorset, Carol Carmichael, Sally Sferruzzi, Sue Stow, Donna Funk, and Helen Bunce. Carol Carmichael was chosen Queen by the student body. Earl Green crowned her at the Howe-Cathedral game.

Larinda Brown, Beverly Byfield, Dorothy Harbold, Donna Funk, and Daisy Harrison were the candidates for the Football Queen of 1951. Dorothy was elected Queen and was crowned at the Howe-Anderson game. The inspiration worked that night—we beat Anderson.

The 1951 Track Queen was Joann Guidone. The candidates, pictured at the meet, were Donna Funk, Barbara Stanton, Marilyn Hughes, Queen Jody, Lois Williams, Carol Ranson, Roberta Millar, and Dorothy Harbold.

NTION FILL COUNCIL YEAR

Among the projects of this year's Council has been the successful organization and chartering of the Howe Booster Club.

The purpose of this club is to add novelty and strength to Howe cheers by careful planning and practice. School spirit is all important as is snappy cheering and good sportsmanship. Mrs. Barbara Wood is the faculty sponsor.

This year also, the Council heard the petition of the junior class for a prom, appointed committees to begin the work involved in sponsoring such a dance, and selected May 10 for the big evening.

Each year the Council provides a committee to welcome mid-year freshmen. Other yearly projects are: the election and crowning of Football, Basketball, and Track Queens; Senior vs. Faculty basketball game; and the talent assembly.

This past year new adoptions and actions of the Council included the construction of a progress chart for Council accomplishments, a campaign to stress better interschool relations, the establishment of a committee to work out standards for social clubs, a promotion campaign for the sale of defense stamps, and a better sportsmanship campaign for the Sectionals.

"Act well your part; there all the honor lies."

With these lines as an incentive, many Howe students have stepped behind the footlights of the auditorium stage, and into a new, exciting world of dramatics. The students have banded together into a club, Footlight Revelers, sponsored by Mr. Darrell Gooch, and through the meetings of this organization, have learned of the trials and revelations of the great dramatic actors and actresses, have studied plays, and have put to good use all

this information in their yearly productions.

Membership in Footlight Revelers is open to any pupil at Howe, who is willing to try-out according to the specifications, to devote one evening after school every two weeks to a meeting, and to participate in club activities, whether it be a leading role in a play, or speaking at a club meeting on the types of grease-paint used in a performance.

The treasury of the club is built up from ticket sales of their plays. This money is used to purchase lighting equipment, make-up, printed programs for their plays, and new stage properties.

The spring of 1951 marked a milestone in the history of Footlight Revelers. At that time Howe joined Thespians, a national dramatic honorary society. The members of the Howe charter Thespian troupe No. 1152 were Footlight Revelers who had earned a required number of points from actual dramatic work. Each Thespian wears a small double mask pin with a large T dividing the masks, and each member gets a year's subscription to Dramatic Magazine. Since that time of chartering Howe's Thespian Troupe, ten Footlight Revelers have received their specified number of points and have been initiated. The world of entertainment may some day be brightened by an aspiring Howe dramatic star.

AL DRAMATICS GROUP

Each year the Footlight Revelers choose a play which the members of the dramatic club present to the public. "Old Doc" was produced on the evenings of November 1 and 3 in 1951, with the cast as pictured upper left: Back row—Miller, Gooch, Nagle, Armstrong, Hiatt, Luke. Second row—Shick, Tanselle. Front row—Wilkens, Applegate, Baker, Rasener, Little, Propps.

The play committee this year, in selecting "Old Doc," did an excellent job, as this drama of a small-town doctor's life brought laughs and tears from the Howe audience.

Not all members of Footlight Revelers were given

acting parts. The work behind the scenes was equally important, however. Planning the program, ushering, prompting, painting scenery, and working with the make up were some of those very essential tasks necessary for the success of "Old Doc."

The cast suffered through endless days of rehearsals and sleepless nights of pre-performance nervousness in preparing for the presentation of "Old Doc." Mr. Darrell Gooch added more than a few worry-wrinkles while directing his stage prodigies. The hard work was well worthwhile as "Old Doc" proved a hit, and congratulations are in order for the cast and director.

MAJORETTES—Allison, Clarke, Decker, Ferguson, Hill, Richards, Steffey, Stowe.

Howe's A Band, under the direction of Mr. Robert Burford, this year paraded in new brown and gold uniforms. This was the outstanding feature of band activities.

Another event of this year was the band concert, "Evening of Music," on March 7. At this program the band displayed their prowess by playing musical selections from the classics, including the Beautiful Galatea, as well as humorous compositions.

The honorary titles of Mr. and Miss Music were bestowed upon Bob Hoffman and Danna Funk on this occasion, and awards were presented to juniors and seniors who had served with the A Band during four or more consecutive semesters.

The band opened their season of musical performances at the first all-school assembly, and throughout the year continued to play at programs for the school, to march and play at the football games, and then closed the season with the musical background for the graduation exercises.

Again this year members of the band and orchestra combined to make a 15-piece ensemble which played for the Pleasant Run Revue.

An honor extended to our band was the choice of fifteen band members to participate in the Indianapolis all-city High-school Band, which performed in May.

ORCHESTRA HAS FULL SEASON

Under the direction of Mr. John Shepard, the Howe orchestra, of about fifty members, is composed of Howe students chosen for their musical talents from the grade schools or the beginning string class. The orchestra is a selective group of players, who have a desire to improve their musical ability, and learn to appreciate music better.

This past year the orchestra added much to school programs, including music for plays, for the senior class Vespers, an assembly by the orchestra, and assistance in other assemblies.

Outside the school programs, the Howe orchestra has participated in the orchestral competition festival (which was held for the first time in many years in 1952), sent representatives to the all city orchestra program on May 21, and added much to the P. T. A.-400 Club meeting in February. One of the future plans of the orchestra and their director is some day to make a circuit of the grade schools to promote interest in the Howe orchestra.

During 1951-52, as in past years, the most prominent program of the season for the orchestra, was the presentation of the Howe Orchestra Festival in December. Howe is believed to be the only city school devoting an evening to the music of the orchestra. This is an event toward which all look.

Along with the orchestra, Mr. Shepard conducts a beginning string class. This class is valuable in developing for active participation in the orchestra. Usually after one year in the string class, the students enter the orchestra, although some students have gone into the orchestra in their freshman year.

Mr. Shepard is working, and leading the Howe orchestra, toward a goal—that the Howe orchestra might some day become a real student symphony orchestra. Each year shows us the ability and value of our own orchestra.

BACK ROW—McGille, Fluharty, Rodenbeck, Hiatt.
THIRD ROW—Garrett, Crider, Bane, Paxtan, Miller, Benefiel, Koye, Chandler, Mertz, Miller, Matt, Seigle, Ball, Hildreth.

SECOND ROW—Rosser, Eikenberry, Lawhorn, Merkel, Freeland, Christie, Freeman, Bergen, Snow, Stevens, Brown, Baudendistel.
FRONT ROW—Reed, Pagett, Alger, Rapp, Bettcher, Pyritz, Snider, Brantner.

CHOIR PRESENTS VARIED PROGRAMS

The halls of Howe echo the lovely mixed voices of the choir. Under the direction of Mr. Frank S. Watkins, the choir, dressed in their flowing robes, has beautified all-school assemblies, P.T.A.-400 Club meetings, and programs for such organizations as the Irvington Civic League.

The outstanding performance of the school year for our choir was that of the Music Festival, held on May 2. Not only the choir, but all members of the Music Department looked forward to this.

One of the highlights of the season was the presentation of the operetta, "Hats Off." Hard work, extravagant costuming, hours of rehearsals totaled up to two nights of pleasure for Howe audiences, and memories of fun for the choir cast.

Throughout the year, the choir made tape recordings of programs which were then presented over the radio on a series of half-hour programs. Also a part of

these performances were the Choralaires, and Girls' Octet.

At Christmas time the Howe choir joined in the Holiday festivities by singing from the steps of the Monument in downtown Indianapolis. In Irvington, the choir presented an outstanding evening of community singing at the same time of year.

With such outstanding performances to their credit it is no wonder that being a choir member is regarded as such an honor by Howe students. Choir members are chosen from the glee clubs, according to their ability.

This year in the Music Department is a new addition to the faculty. Mr. Paul Saunders is now assisting in A Band work, in the Orchestra, directs two girls' glee clubs, and has organized and now directs the Boys' Octet. Members of the Octet this year are Don DeNaon, George Romy, Harold Jackson, Richard Osburn, Jack Austin, Jerry Hibner, Don Hoffman, Douglas Jackson, and accompanist Bob Hoffman.

BACK ROW—McCallister, Romy, Clark, Burton, DeNaon, Hatcher, Stevens, Taylor, Williams, R. Starr, Greene, Thompson, Franklin, Smith, Chaplin, Buerkle, Vidal.

FRONT ROW — Eickhoff, Hoffman, Wood, Bowen, Andrews, Fischer, Newcomer.

During the past two years of Howe history, the Choralaires have gained much deserved fame. The girls of this group are chosen from the Girls' Glee Clubs, because of their voice quality and ability to sing well.

This past year the Choralaires has performed at the Emerson Avenue Church, at St. John's Evangelical and Reformed Church, and at the school's Christmas assembly.

With so many excellent musical groups at Howe, it is

no wonder that we are credited with an outstanding Girls' Octet. The girls, under the personal direction of Mr. Frank S. Watkins, have given performances for the Caravan Club, the Underwriters Insurance Group, at the Kiwanis Christmas party, and at hospitals for service men.

Another group of musical aspirants is the B Band. Under the direction of Mr. Robert Burford, the members of the B Band are training for the A Band by learning the fundamentals of band playing.

TOWER TRADITION IS

EDITORS AT WORK

CLOCKWISE FROM UPPER LEFT—Harbold, Henry, Applegate, Baker, Boling.

"Well, another TOWER is put to bed." When Mr. Wayne Mellott, HOWE TOWER adviser, announces this, the presses roll forth the student paper, and staff members breathe a sigh of relief.

When the TOWERS are received by Howeites, they

are eagerly read in the halls, between classes, during classes, and over the lunch trays in the cafeteria. What is behind the pages of each issue of the TOWER? How is all this exciting news gathered, and by whom?

In the heights of the TOWER is a comparatively tiny office. It is the miniature of a newspaper office, with Mr. Mellott as the overseeing city editor. The staff totals forty-seven members. On the days before deadline, if you enter this citadel of information, you will find TOWER reporters beating out copy on the typewriters, cutting pictures, laying out page dummies, planning headlines, and making last minute checks of the copy turned in.

Twelve issues of the TOWER were published in 1951-52, and each issue was filled with news of the latest importance to Howe students. Editorials helped us to think of citizenship; front page articles kept us up with the plays, performances, and awards given to the students; play-by-play descriptions told us of the feats of our athletic teams; and other copy acquainted us better with the teachers, and kept us up-to-date on the latest student gossip.

Sending out beat cards, interviewing, retyping stories, and proofreading are a few of the tasks falling to staff members who capably perform them.

CARRIED THROUGH '52

The entire staff is chosen by Mr. Mellott from the journalism classes. They are chosen on the basis of their work in English VJ and on the basis of their writing ability. New staff members are elected to their positions by the old staff.

The staff is divided into eight groups: feature staff, editorial staff, sports, reporters, cartoonists, photographer, art editor, and page editors, all supervised by the editor and associate editor.

The news bureau, an organization separate from the TOWER, consists of TOWER staff members who serve as correspondents for each of the Indianapolis newspapers. They are assigned certain department heads, and check with them for news each week.

The feature staff reporters receive their assignments from the page editors, as do the editorial writers and sports columnists.

The duties of the reporters, cartoonists, and photographers are for the most part self-explanatory.

The art editor and page editor work together in planning page lay-outs and positions.

All this is carefully supervised by the editor and associate editor, who also serves as a page editor.

Each and every task takes time, careful preparation, and work, but the 1951-52 TOWER staff issued their paper in fine style.

Staff members enjoying exchange papers from other schools are (upper picture) Baker, Hitchcock, Harrymon, Steiner, Henry.

Drawings by Stewart entertain TOWER reporters Eade, Henry, Jackson, Davis, Fuller.

The members of the TOWER News Bureau are Boling, *Indianapolis News*; Anderson, *Eastside Review*; Crider, *Herald*; Applegate, *Indianapolis Times*; and Harbold, *Indianapolis Star*.

TWELFTH YEARBOOK

(Upper left) Shirley tells Laura, Alice, and Dee, about her trip to Franklin, Indiana, for the publications convention. (Upper right) Ann, Norma, and Alan ponder over some of the expense problems of producing a yearbook. Helping to plan the Howe annual Publica-

tions Christmas party are Tom, Jane, Jeanette, and Jackie (lower left). With make-up such an important part of yearbook production, it takes the combined efforts of Julie, Janet, Annette, Ann and Susie to work out some of the problems (lower right).

IS THEIR PRODUCT

Each school year, in the late spring, the Howe students receive their HILLTOPPERS, those books which carry between their pages all the memories of the past years. The HILLTOPPER is compiled by Howe students themselves, with Mrs. Ellen Jenkins as the faculty sponsor.

The staff members for the HILLTOPPER are chosen each year in spring for the forthcoming year, from the applicants of the staff and the journalism class. Each prospective candidate must submit for criticism a sample of his or her ability to plan a yearbook section, plus some copy. This try-out is carefully judged by the senior staff members and Mrs. Jenkins. Those students with the best try-outs are then notified and told the position they will occupy for the next year.

The 1951-52 staff was composed of eighteen members: editor, Norma Doak; associate editor, Ann Sterns; business manager, Alan Taylor; photography editor, Dee Hacker; senior co-editors, Jane Reed and Janet Paxton; sports editor, George Propps; club editor, Susie Parker; activities editor, Janet Parker; underclassmen co-editors, Alice Ray and Shirley Watkins; make-up editor, Annette Keith; assistant sports editors, Tom Hunt and Jackie Ulmer; assistant make-up editors, Julie Malvase, Ann Bowen, and Jeanette Wills; assistant business manager, Laura Fountain.

From the time the new staff members are chosen, they work hard. Each person must help plan the lay-out of his or her section, choose the kind of type best suited to the yearbook theme, and then begin seeing teachers to make arrangements for pictures and copy. Staff members spend at least one period a day in the Tower producing Howe's yearbook.

Selling yearbook subscriptions, managing costs, and planning money-making projects are a few of the extra duties of staff members. The 1951-52 staff worked out the details of the Starlite Swirl in April of 1951, the Brown and Gold on October 6, and helped the 1952-53 staff with plans for their spring dance. They also wrote, directed, and participated in an assembly for the promotion of yearbook sales.

The staff members have to work hard and long, but with it all they have a great deal of fun. Up in the Tower with their co-workers you may find the make-up staff pondering over the measurements of a picture, or the sports editor struggling to remember the plays of our football team, or the sighs of the club and activity editors as they paste pictures in the dummy.

The deadlines always come too soon for the hurrying staff members, the pictures look fuzzy, the layouts always come out wrong, but after all the work is finished, the HILLTOPPER comes out—a job well done.

ON TOP OF THE HILL AND BENEATH THE TOWER

is where we entered the halls of Howe for the first time as freshmen. As sophomores, we thought of parties and dances as well as studying. In our junior year, activities, sports, and clubs played very important roles in our lives. Finally, the great day arrived—we were seniors!

At commencement, June 4, 1952, 320 seniors received diplomas to mark the end of four years work and play. There were 371 juniors to step into their roles as seniors next year. All 324 sophomores gladly assumed their new status and quickly forgot the trials of their first year. New Howeites numbered 372 and did the usual things all freshmen do which include dreaming of someday receiving their own diplomas.

These are Howe's PEOPLE . . .

The curtain falls on the high school

FACULTY AND ADMINISTRATION

"Faculty!" The word includes all those inspiring people who have helped us to overcome our most urgent and unavoidable problems, who have disciplined us when necessary, and have given us our secondary education in the most painless way. Our education is like a pyramid with each teacher adding his own bit until, when finished, we stand ready to face the business world, college, or any challenge with courage and the knowledge that we are well-prepared, come what may. We regret leaving Howe knowing that we can never fully repay these people for what they have given us.

Heading the faculty is Principal Charles M. Sharp, a gracious man, well-liked by the students, who regard him as a "Good Joe." His high ideals and morals have inspired us all to try harder to make ourselves and Howe the better for our having been here.

Next on the list are our vice principals, Mr. Clarence R. Clayton and Mr. Thomas Stirling. Mr. Clayton makes out the schedule of classes for students and teachers. Mr. Stirling works with freshmen as guidance counselor, besides

being a most capable Dean of Boys. Mrs. Mildred D. Loew, in addition to teaching mathematics, is our popular and well-loved Dean of Girls.

The office staff takes good care of our records and other business here at Howe. Helping Mrs. Virginia Moore, secretary, is Miss Marie Ochs, clerk. We all know Mrs. Mabel Burkart, bookkeeper; Mrs. Christiana Genrich, registrar; Mr. Roy Horton, engineer; and Mrs. Arla Hunt, cafeteria manager.

"Whoops!" "Here I come!" "Catch me!" our teachers exclaim as they slide down banisters to reach their classes on time. Miss Jean Carpenter and Mrs. Ruth Colón are practicing and improving their "sliding form," during a break in their routine of classes, while Miss Jackie Smith prepares to catch them. This is one of the special privileges enjoyed by teachers. Other privileges are: using snake whips to keep us in line, and receiving "special sundaes and sodas" from the "ice cream bar" in the cafeteria.

TOP ROW—Mr. Clarence R. Clayton, Vice-Principal; Mr. Thomas Stirling, Dean of Boys.

THIRD ROW—Mrs. Mildred Loew, Dean of Girls, Mathematics; Mrs. Virginia Moore, Secretary.

SECOND ROW—Mrs. Christianna Genrich, Registrar; Mrs. Mabel Burkart, Clerk, Bookstore Manager; Mr. Ray Horton, Engineer;

Mrs. Arla Hunt, Cafeteria Manager; Miss Marie Ochs, Clerk.

BOTTOM ROW—Art Department: Miss Janet Keller, Chairman, Plastics, Jewelry; Mrs. Lareen DeWaard, Fashions, Lettering, Commercial Art; Mr. Francis Howard, Art. Commercial Department: Mrs. Margaret Rowe, Head, Shorthand, Secretarial Training, Typing; Miss Jean Carpenter, Shorthand, Typing, Filing.

What's this? It couldn't be one of the classes at Howe asleep, or could it? It is! Some of the teachers ore so interesting and dispense so much knowledge to us that we are simply overcome; our heads fall lower and lower until finally, "Zzzzzzzzz." Of course, playing tennis after school, watching television until midnight, then staying up until 2 a. m. to get our homework done only makes us sharper. Mr. Charles Ruschhaupt's bookkeeping class has succumbed to an attack of "not-enough-time-for-everything itis."

TOP ROW—Mr. E. Franklin Fisher, Junior Business, Typing, Commercial Geography; Miss Jean Hailmon, Typing, Shorthand, Business Arithmetic, Junior Business.

THIRD ROW—Mr. Sherman Pittenger, Typing, Business Law, Bookkeeping; Mr. Charles Ruschhaupt, Typing, Comptometry, Bookkeeping, Office Procedures.

SECOND ROW—English Department: Mr. Seward Craig, Head, English; Mrs. Dorothy Clifton, Librarian; Mr. Dorrell Gooch, English, Productions, Speech; Miss Alice Hankins, English; Mrs. Ellen Jenkins, English, Librarian.

BOTTOM ROW—Miss Marthana McWhir, English; Mr. Wayne Mellott, Journalism, English; Miss Ellen O'Drain, English; Miss Jackie Smith, English; Mr. Hal Tobin, English.

Santa Claus enjoys himself immensely while Marilyn Rasener and Sarah Eickhoff tell him what they want for Christmas. He is the same Santa Claus who distributed gifts so efficiently at the All-Girl Christmas Party in December. Do you recognize him? Santa is quite a handy-man with an equation and his everyday initials are A. G. Know Him?

Three new members were added to the list of "The Sixty-One." They are Mrs. Betty Johnson, Home Economics; Mr. Lyle Nave, Industrial Arts; and Mr. Paul Saunders, Music (not pictured).

TOP ROW—Foreign Language Department: Miss Narcie Pallitt, Chairman, Latin; Mrs. Ruth Colón, Spanish.

THIRD ROW—Miss Thelma Cooley, Latin; Miss Mary Thumma, Spanish.

SECOND ROW—Home Economics Department: Miss Helen Allen, Chairman, Foods; Miss Lois Cay, Clothing; Mrs. Betty Johnson,

Clothing, Home Management, Foods, Social Practice. Industrial Arts Department: Mr. E. A. Patterson, Chairman, Woodshop, Metalshop; Mr. Wathen Leasor, Drafting.

BOTTOM ROW—Mr. Lyle Nave, Printing; Mr. Roscoe Pierson, Metalshop; Mr. Hervie Vertrees, Woodshop. Mathematics Department: Mr. Robert Belding, Head, Mathematics; Mr. Alvin Geier, Mathematics.

"Mirror, mirror on the wall,
Will my paint job last at all?"

inquiries the feminine half of the faculty at Howe of the mirror in the Women Teachers' Room. During third period it is Miss Jean Hailman and Miss Mary Thumma who ask this vital question. Besides seeing double in mirrors, many teachers lead double lives. Among these are coaches Lewis Gilfoy, basketball; Samuel Kelley, football; Ray Bowman, track and cross-country; and Roscoe Pierson, baseball.

TOP ROW—Mr. Fred Lemley, Mathematics; Mrs. Ruth Reed, Mathematics.

THIRD ROW—Mr. Harrison Richardsan, Mathematics. Music Department: Mr. Frank Watkins, Chairman, Choral Music, Chair.

SECOND ROW—Mr. Robert Burford, Instrumental Music, Band; Mr. John Shepard, Instrumental Music, Orchestra. Physical Educa-

tion Department: Mr. Ray Bowman, Head, Physical Education; Mr. Lyman Cambs, Physical Education; Mr. Samuel Kelley, Physical Education, Athletic Manager.

BOTTOM ROW—Miss Shirley Diehl, Physical Education, Health; Miss Celio Smith, Nurse, Health, Lip Reading; Mrs. Barbara Wood, Physical Education. Science Department: Mr. Virgil Heniser, Head, Health, Chemistry; Mr. Carl Edds, Biology.

Some of our classes really have "shocking" times, for example, the unit on electricity in Physics. Our photographer snapped this just after Mr. Richard Hammond had consented to be part of the apparatus in an experiment demonstrating the effect of electricity on human beings. Ronnie Cook, Fred Mertz, and Glen Myers "execute" the experiment for the rest of the class. Mr. Hammond is in the latter stages of the experiment just before . . . "you know what" happens. As to how the experiment came out, just ask Ronnie, Fred, and Glen.

TOP ROW—Mr. Richard Hammond, Physics, Physical Science; Mr. Floyd Jeffries, Chemistry, Physical Science.

THIRD ROW—Mr. Paul Klinge, Biology, Business Manager; Miss Jerry Matley, Biology.

SECOND ROW—Mr. William Smith, Biology, Visual Education. Social Studies Department: Mr. Horthwell Kaylor, Head, Government,

Sociology; Mr. Rex Anderson, U. S. History; Mr. Wade Fuller, Family Relations, Psychology; Mr. Lewis Gilfay, Government, Psychology.

BOTTOM ROW—Miss Doratha Kirk, U. S. History, World History; Mr. Kenneth Smartz, Government, English, Senior Sponsor; Mrs. Hattie Winslow, U. S. History, World History.

ON TOP OF THE HILL AND BENEATH THE TOWER

"Two bits, four bits, six bits, a dollar!

All for Howe, stand up and holler!"

rings out at Howe's athletic events. Adding steadily to its sports program, Howe has a wide range of interscholastic and intramural sports.

Most of the student body enthusiastically joins in the sports of the school, or cheers the teams on to victory. The thrill of watching a guard or forward dribble down the floor to sink a shot, or a halfback pass to an end for the winning touchdown, or a long-distance runner break the tape for those needed points is shared by the entire cheering section.

These are Howe's ATHLETICS . . .

GRIDIRON SQUAD HAS

The Howe football team got off to a late start this year, but when they did get started they ended the season with a .600 average. When Howe played Logansport, Tech, and Southport, they just couldn't find the push to win. But when they met Manual and Ripple, they won by a score of 7 to 6 in both games. This was thought to be the beginning of a winning streak for the varsity. But, again they were downed by the Ben Davis Giants as they were last year. Howe defeated Anderson to start a real winning streak, and went on to take the last four games of the season.

The Howe gridmen racked up another victory in a

close contest against the Manual Redskins. The varsity eleven made their touchdown in the last quarter on a set-up pass to end Bob Henninger. Stan Dickson then threw to halfback Mike Merchant for the 20 yards and the score.

The "golden toe" of Ron Cooper was the deciding factor of Howe's brilliant victory over Broad Ripple's well-trained squad. Howe's TD was the result of a 52-yard play from Dick Schrier to end Don Thomas. The score came in the second quarter after Mike Merchant carried the ball 29 yards on a fake play. This set up the well-executed pass play.

S GREAT COMEBACK

Bill Stafford (9) runs for those needed yards but is stopped on the 35 yard line as Dave Pasch (12) tries to block out for him.

The system by which Mr. Kelley determines the efficiency of his athletes is proving very effective. The number of successful blocks made by a player is divided by the number of plays he was in. Ron Cooper had the highest blocking percentage in the Ben Davis game with 86 per cent. Others leaders were Leroy Thompson and Bob Pannell with 85 and 82 per cent, respectively.

The Howe gridmen downed Warren Central to even its standings at four wins and four setbacks. The main scorers of this game were Jack Milli, Leroy Thompson, Mike Merchant, and Dick Schrier. Our first touchdown came in the initial quarter on the five-yard plunge by Jack Milli.

The next one was by Dick Schrier, who pulled a quarter-back sneak to perfection, and added six more points.

The high point scorer this year was Leroy Thompson, with six touchdowns for a total of 36 points. Dick Schrier was the only Hornet passer to be named on the "all-city" team. One of the outstanding plays that usually made a first down was the pass from Dick Schrier to Jack Milli, a feature of almost every game.

This year's final game was played on a soft, cold blanket of snow, against the hard-playing Crispus Attucks team. The Howe varsity scored all of their five touchdowns in the last half of the game to win by a score of 32 to 0.

HOWE HARRIERS PLACE SECOND IN SECTIONALS

The Howe cindermen made their first venture outdoors a winning affair by downing the visiting Columbus Bulldogs. The Hornets collected six of thirteen first places and tied for a seventh one. Bob Mogle was the chief point-getter for Howe, racking up twelve points on two seconds, a third, and a first in the mile relay.

Howe placed two men in every event except the half mile, 220 yard dash, and low hurdles. The Hornet shot

putters summoned all of their strength to slam the shot put only four and one-half feet apart to win all three places.

In each of their four dual meets of the season, the Hornets won all three places in the shot put. In addition, the Brown and Gold lost only one dual meet to Broad Ripple.

CROSS COUNTRY TEAM HAS FAST SEASON

This year's cross country team finished the season with a record of five wins and four losses. In their first meet Coach Ray Bowman's boys ran away from Attucks and Fillmore. Next, the harriers lost a close meet to a tough Washington team. After defeating Bloomington, the Hornets received their second loss from Anderson. They came back to take one from Warren Central. Broad Ripple was also a victim of the speedy Hornets. Then Muncie Burris shodded the Brown and Gold by one point.

Howe, paced by Dave Boucher and Bob Eade, took third in the city meet. The harriers next brought back a victory from Columbus. Howe finished fourth in the sectionals, not qualifying for the state meet. Dave Boucher and Bob Eade were outstanding runners for the team.

In the Tech tourney, Howe ousted Broad Ripple 43-41 and came back in the night game to stop Washington and cop the tourney. The Crispus Attucks powerhouse then rolled to an easy fourth quarter victory over Howe, 67-45.

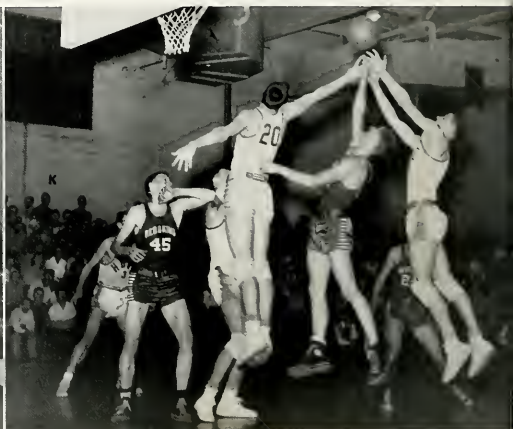

During the holidays, Howe traveled to Greenfield and won the host's own tourney by defeating them 78-44, and downing Franklin 51-35. John Adams, strong South Bend power, was next to feel the mighty sting of our Hornets, who took a 55-45 contest. Bob Schrier and Don Thomas each had 12 points to lead the way to victory.

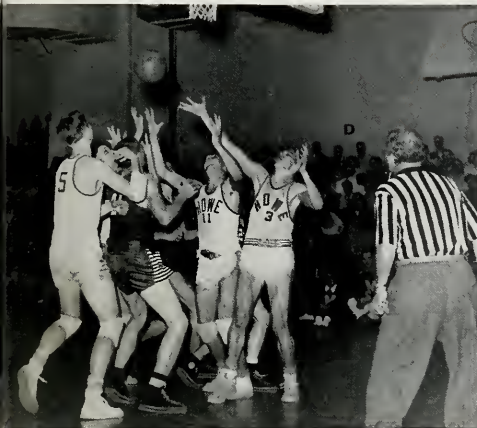

Thomas's 13 points led Howe to a 51-31 conquest over Lawrence Central. Columbus thumped our Hornets 57-42. Don Rees hit 17 points to keep Howe in the

game. Howe then bounced back to win a 36-31 thriller from Shortridge. Tech followed this with their usual jinx and defeated our boys by a score of 60-46. Behind 6 points going in to the fourth quarter, the Hornets rallied for a 59-57 win over Southport. Bob Schrier had 25 points and Don Thomas had 15 points to show the way to victory. Cathedral then defeated our Hornets 54-29. Howe bounced back the next night to take a 33-29 victory over Terre Haute Garfield. Earl Green had 19 points for Howe.

Manual, aided by Nyer's hot shooting, defeated our Hornets in a thriller, 54-53. Earl Green hit 21 to top Howe. Howe then took Warren in tow by a score of 45-35. In the last game of the season Lebanon pulled away in the closing minutes to gain a 60-49 triumph.

Howe entered the Sectionals in the lower bracket with Attucks, Tech, Southport, and Cathedral. In their first game, the Howe five thumped the Deaf School 66-32. Earl Green followed through his own missed shot to deal a 56-54 defeat to Southport in a double overtime.

Then Howe lost a nine point lead and was defeated by Tech in an overtime 46-44. Don Rees hit 20 points for Howe against Southport and 20 more against Tech. Bob Schrier was chosen most valuable player and Myles Koch was honorary team captain. The Reserves under Coach Rex Anderson, had a record of eight wins and eight defeats. With some promising talent in Lou Hoynes, Ron Fox, and Jack Baker along with six returning lettermen, the outlook for next season is very good.

BASEBALL TEAM SHOWS IMPROVEMENT

Coach Rocky Pierson's Hornets started their fourth season of baseball off with a bang. Dick Schrier drove in two runs and Bill Garrison limited Franklin Township to two hits as Howe won, 4-2. Howe traveled to Zionsville and clubbed out ten hits for a 16-2 victory. Dick Stanley threw a two hitter against Greenwood and our Hornets won their third straight, 9-1.

A return visit to Franklin Township proved costly as the

Floshes came from behind to win, 5-4. Washington's city champs were next to defeat Howe, turning the trick with four runs in the sixth, 5-1. With veteran Johnny Riddle on the mound, Cathedral downed Howe by a score of 9-5.

Howe's Hornets put on their hitting clothes and downed the Attucks Tigers, 15-5. Dick Sapp hurled his second two-hitter of the season and was aided by Bob Schrier's

homerun. Southport proved to be an inhospitable host as they downed the boys from Irvington, 6-2. Bill Garrison then shut out Attucks on a four hitter, 10-0.

The Pierson-men traveled to Shortridge and won a thriller by a one point margin. Broad Ripple squeezed by our Hornets, 8-7, in another close one. Howe again entered the win column with a well-pitched shutout against Park School. Howe drew Broad Ripple in the city tourney and was downed, 5-0, behind the one-hit pitching of Eddie French.

Ben Davis came to Ellenberger and pinned an 8-4 defeat on our Hornets. In the season finale, Howe rolled over Warren Central by a score of 8-3. The Hornets finished the season with a record of eight victories and seven defeats. Frank Hopper won the award for the best mental attitude and Dick Schrier was voted most valuable player.

Dick Schrier was the team's leading hitter with an average of better than .400. Hornet pitching was very well-balanced. Bill Garrison, Dick Sapp, and Harold Stanley all contributed to the team's fine record. With Stanley back for 1952 and Wayne LeBeau and Jim Nie-man coming up from the reserves, next year's varsity will have another fine staff of pitchers.

The reserves, under the able coaching of Mr. Lewis Gilfoy, finished the season with a record of six wins and three defeats. There are several fine prospects developing for the next year's varsity.

HOWE INTRAMURAL PROGRAM INCREASES MEMBERSHIP

Have any of you boys wanted to participate in sports, but thought that maybe you weren't good enough? At Howe we have one of the best intramural activities programs in the city. This program has grown considerably in the past three years with several new sports being added, and player interest is increasing in great numbers. This year about 200 boys participated in intramural activities. Also this year for the first time our volleyball champs played at Shartridge. The members of this champion team were K. Wood, B. Mogle, D. Eubank, J. Hume, W. Zobbe, and B. Weber.

Teachers who sponsor intramural sports are Mr. Alvin

Geier, Basketball; Mr. Lyman Combs, track; Mr. Harrison Richardson, baseball.

For each and every month of the school year there is a sport which may be of special interest to you. From September through November, the intramural program consists of field and track events. From December to February is the basketball season. March through April there is a list of sports that includes: volleyball, badminton, shuffleboard, table tennis, and bowling. ACTIVITIES, FUN ARE YOURS IN G. A. A.

How many times have you said, "Oh, if I only knew how to do that"? This is a typical complaint expressed by many girls who want to learn more about sports and active games. G.A.A. has the solution for these girls.

What is G.A.A.? It is the organization for all high school girls interested in athletics. The letters mean "Girls' Athletic Association."

Each year when all the new freshmen have found their way around the halls of Howe, G.A.A. sponsors an opening party honoring the freshmen and other girls new to Howe. This is one of the best ways to get the new girls interested in Howe and its numerous activities. Freshmen come to know the upperclassmen, and after they leave the party, they usually have a greater feeling of really being a part of Howe. Most of these girls quickly join G.A.A. and immediately begin to widen their circle of friends.

This year Marianne Mueller, president; Nancy McMillan, vice president; Judy Henderson, secretary; and Sandi Becker, reporter, are the executives of G.A.A. Miss Shirley Diehl is the faculty sponsor.

Howe's mid-winter dance is sponsored jointly by G.A.A. and the Lettermen's Club. Known as the "Winter Wonderland Dance," it is an annual affair noted for its unusual "floor shows."

The spring gym meet is another big event for the girls on the East Side. Each year girls from every class compete on the side-horse, parallel bars, mats, and rings. Judges come from outside the school to award ribbons to the winners in each event. It's fun and also rewarding, for the girls develop good skills.

Also in the spring a folk dance festival and a track meet are held, with the girls again competing for honors.

In addition to all these annual events, swimming, bowling, tennis, basketball, volleyball, speedball, and ping pong are always open to any girl at Howe.

This year something new has been added. Sports heads have been appointed for each of the many activities of G.A.A. These girls see that everything in their appointed activity, from equipment to girls, is in good condition.

The sports heads (top picture) are Barbara Truex, Nancy Agnew, Marcia Blake, Joann Brawn, Jean Margan, Pat Kellermier, Ruth Kremler, Pat Resener, Nancy Bergen, Barbara Sturgeon, Janice Brawn, Barbara O'Haver, Caralyn Carroll, Barbara Brantner, Marjorie Cook, and Maggie Hyfield.

The executives (second picture) all work together to plan the activities for the G.A.A. meetings held in the gym on Thursdays after school.

Another addition this year was the election of a king to reign at the "Winter Wonderland Dance." King Earl Green and his court pose for the camera (third picture).

This year all girls who were interested in swimming could go to the YWCA with the G.A.A. group. Five mermaids are ready to dive in when Miss Diehl gives the word (bottom picture).
